

LAUGH AT 'EM IF YOU LIKE, MR. MAN, BUT  
WAIT UNTIL THE BILLS COME IN!

You must be fair and under forty to wear the eccentricities in hats that are now being put on the millinery counters.

The pictures shown are not caricatures, but actual hat fashions drawn from some of the head gear shown in the New York shops.

The artist, however, has labeled them as they struck his masculine fancy.

Which one, Mr. Man, would you like to see your wife wear?
